Richland Area Rotary Youth Soccer...

fun, challenging, the perfect fit for youth of all ages!

RARYS

2017 Fall Recreational League

Frequently Asked Questions:

Who can play? A: Any children in grades 1 to 8 (in the fall of 2017).

What if I have never played before? A: That's totally okay! Brand new players start in this program every year – including in the upper age levels.

What if I don't think I'm very good at soccer? A: That really doesn't matter here. This program is recreational at its core; the emphasis is on participation, having fun, getting exercise and learning new skills.

Who will my coach be and how will I get on a team? A: All coaches are adult volunteers who have received instruction in coaching children. All teams are formed by RARYS from the players in each age group. Every attempt is made to create the most balanced teams possible.

When and where are the games and practices? A: Games will be scheduled for eight Saturdays in September and October at RC's North Park. Practices will start about two weeks before the first game on weekday afternoons/evenings. Teams will be limited to four practices before the first game and one per week after games start. Exact practice times are determined by each team's coaches. You declare which town you prefer for practices when you register.

What does this cost? A: Register before July and the cost is only \$30.

What equipment will I need? A: You will need soccer shin guards, suitable footwear (running shoes or soccer cleats) and clothing suitable for athletic activity and the weather. RARYS will furnish a game jersey for all players and any needed team equipment, i.e. goalkeeper apparel, balls.

What if I have more questions or want to register? A: www.richlandsoccer.com.

What if I don't have internet? A: Call 608-647-2637 (Kim Luckey)
